## 2009 Sponsorship Program

Welcome to the Simi Valley Vikings Football and Cheer.

Simi Valley Vikings Football and Cheer is a non-profit organization dedicated to benefiting our youth between the ages of 4 and 14 by instilling in them the desire for excellence in achievement through teamwork, goal setting, discipline, integrity and personal sacrifice that is central to successful competitive team sports. Each year our program typically fields over 20 teams with over 500 participants.

Football and Cheer programs require considerable investment of time and money and ours is no exception. We are asking for financial support from community businesses and individuals for the upcoming 2009 season. Your support helps defray the rising costs of protective safety equipment, liability insurance, uniforms, referee's fees, and field maintenance. It also helps us to grow our program each year. While the Vikings organization strives to maintain affordable registration fees to ensure every child can participate, some of our children are allowed to play and cheer free of charge. **Your donation helps us accomplish this goal.**

Below you will find information on our 2009 Sponsorship Programs. We have two programs available: Chapter Sponsorship and Team Sponsorship. Please take the time to look them over and consider the program that best fits you or your company's desire. We will not decline any type of donation/sponsorship, and welcome donations/sponsorships in any form.

Like any non-profit organization, we depend on the kindness of citizens and businesses of our community to help fund our program. **We can't do it without YOU.**

Thank you very much.
